Client's Address

Dear Client,

I am pleased to provide the following fixed price quote to you for custom web software services. The \_\_\_\_\_ script will perform the following functions:

- 
- 
- 
- 

The client will provide all logos and other special graphics for the web pages displayed by the scripts with the exception of navigation buttons used directly by the scripts.

The price for the proposed services is \$\_\_\_\_. The price is a firm fixed price quote and is valid for thirty (30) days. To begin, we require a deposit of \$\_\_\_\_ with the remainder due before the scripts are installed on the client's web site.

The following terms and conditions apply:

1. Upon settlement of the account, H&A Systems Engineering shall assign all copyright to work created affecting the visual presentation of the client's business to the client. This work shall be the property of the client. The work created affecting the visual presentation includes HTML pages and graphic files.
2. For all developed software (Perl scripts), upon settlement of the account, the client will be granted a royalty-free, nonexclusive, irrevocable, world-wide license to use, modify, and authorize others to do so. The developed software may be based upon H&A Systems Engineering's previous work and remains the property of H&A Systems Engineering.

Sincerely,

Agreement by Client
